ACTION SHEET: NAMING YOUR POD

PLANTPURECOMMUNITIES.ORG

There is so much variety in the names chosen by Group Leaders in the Pod Network, ranging from formal names, such as “Alaska Vegan Society,” to more informal and funny names, such as “Give 'Em Kale!”

Please note that some names have been trademarked by other organizations and thus should not be used, such as “plant strong” or “plantstrong.” PPC is not responsible for checking whether a name is trademarked and cautions Group Leaders to thoroughly research their preferred name ideas before settling on one.

Below are some words you may want to consider in naming your Pod:

Adventure	Centered	Green	New	Rooted
Alive	Connections	Growing	Organic	Seed(s)
Awake	Conscious	Growth	Peaceful	Spirit
Awesome	Dynamic	Happy	Petals	Strength
Becoming	Energized	Health/Healthy	Plant Driven	Thriving
Beginning	Evolution	Heart	Plant Empowered	Venture
Being(s)	Evolving	Hearty	Planted	Vibrant
Better	Exhilarated	Inspired	Prosper	Vitality
Bloom/Blossom	Exuberance	Jubilant	Pure	Well
Breathe	Fit	Leaf	Revitalize	Wellness
Celebrate	Fresh	Life/Living	Rising	Whole

While a Pod may refer to itself as being an independent member organization of the PlantPure Communities Pod Network, as an independent group, the term “PlantPure” should not be part of the Pod name. (PPC created a Badge for Group Leaders to use on their websites and flyers to show their Pod’s connection to the PPC Pod Network. For more information and terms for the badge, [go here.](#))
